

Emergency contacts

Depending on availability, I also offer telephone consultations under **+43 664 446 60 50**. Please note that I do not provide night cover. For serious accidents, life-threatening situations, and emergencies, however, please immediately call **Vienna emergency services**.

Rettung. Ambulance.

Ambulances with doctors for acute medical emergencies: acute shortness of breath, accidents, chest pain, unconsciousness, open wounds etc.

Phone: 144

Ärztefunkdienst. Emergency (telephone) consultation.

For acute, non life-threatening situations, which in your opinion cannot wait until the next working day (not for children under 1 year or trauma/accident patients). They can send a doctor or direct you to an on-call clinic.

Phone: 141

Tropenmedizinische Notfälle. Tropical medicine emergencies.

If you develop fever after returning from countries where malaria or other tropical diseases are endemic.

- 1090, Universitätsklinikum AKH Wien – Währinger Gürtel 18-20
- 1220, Klinik Donaustadt (Donauspital) – Langobardenstraße 122
- 1100, Klinik Favoriten (Kaiser-Franz-Josef-Spital) – Kundratstraße 3

Spital / Krankenhaus. Hospitals

If you have private insurance, you can visit any hospital (public or private). Public hospitals treat patients with private insurance and are generally better equipped to deal with emergencies. **No appointments are needed for emergencies.**

Zahnnotfälle. Dental emergencies.

Please visit wr.zahnaerztekammer.at or call their emergency hotline for dental emergencies.

Phone: +43 1 5122078

Apotheken. Pharmacies.

Visit www.apotheker.at to find pharmacies close to your location. You can also find all pharmacies, which currently are on night duty. (Search pharmacy / Pharmacies on night duty / pharmacies around you)
